Start your day with a leisurely breakfast in a beachy atmosphere at our Strandcafé. Enjoy our varied breakfast buffet with a special focus on quality and a selection of regional and organic products.

We get our delicious rolls and croissants fresh daily from the Meesenburg bakery. Our eggs come from the Jessen-Oxbüll farm shop, and our homemade cakes and pies are baked with spelt flour and cane sugar in our Strandcafé kitchen.

The Strandcafé is part of the Ostsee-Strandhaus and Ostseecamp Glücksburg-Holnis and is equally popular with our guests and locals.

A list of allergens and additives is available at the counter.
